

NETBCI: 10 audited participants; exploratory longitudinal trajectories

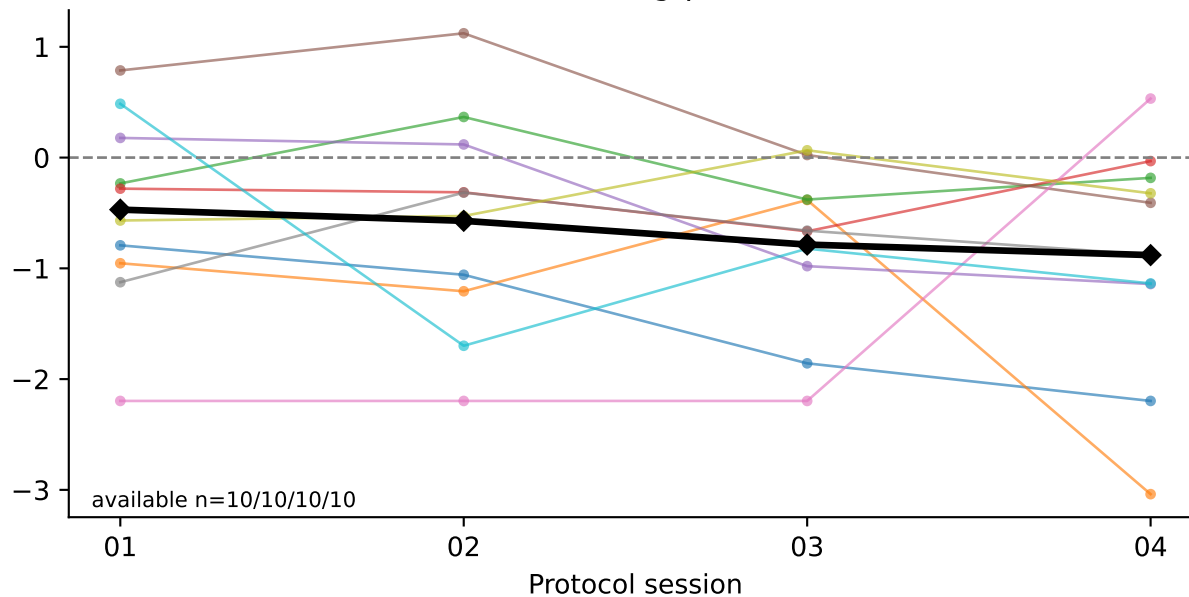

Published online hit score (%)

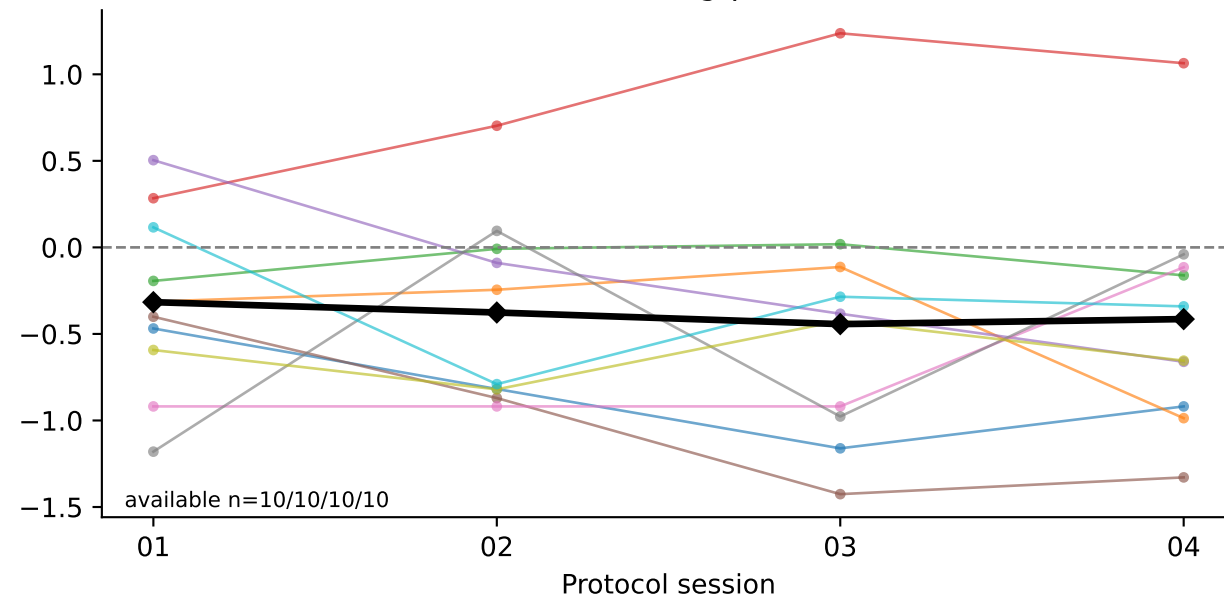

Frozen CSP balanced accuracy (%)

Mu MI – rest log-power (dB)

Beta MI – rest log-power (dB)

Behavior: mean of six published run percentages, not pooled hit rate. CSP: session 01 query runs 05-06; later sessions all six.
Power: equal run-weighted task-window contrast; no baseline ERD or human skill-retention inference.
